

WE ARE **HIRING**

Service Engineer / Field Service Representative

Location: Selangor, Malaysia

Our dynamic family company KAESER KOMPRESSOREN is one of the world's leading providers of quality compressors and compressed air technology products. We employ approximately 7000 people worldwide and are represented in over 140 countries by our own sales and service network, as well as by our exclusive partners.

We are looking for a talented, highly motivated and customer-focused Service Engineer / Field Service Representative to join our company.

Job description:

- ✓ Responsible for all the service activities such as routine servicing, troubleshooting, start-up and commissioning of our products.
- ✓ Handle spare parts, technical inquiries and troubleshoot M&E related issue.
- ✓ To adhere, give full co-operation and in compliance with company's QUSEM & legal requirements.
- ✓ To complete all assigned service/maintenance/troubleshooting activities until plant is re-activated to required level.
- ✓ To carry out testing and commissioning work as per the agreed inspection test plan with the customers.

Required qualification / education level:

- ✓ Minimum a recognized degree from established institution in technical field.
- ✓ Able to work independently with minimum supervision.
- ✓ Willing to travel and work on the weekend.

General description of documents that are necessary to complete job functions:

- ✓ Service Manuals and parts manuals – softcopy
